Art Deco Delights and Scuba with Platypus? Mackay!

Mackay operators challenge event organisers to be inspired by the forgotten, or yet undiscovered unique regional experiences delegates can enjoy in Mackay. Delegates can choose to walk off their conference catering delights with walks and jogging along the Blue Water Trail, a river side walk along the Pioneer River, cooling off in the Bluewater Lagoon, and strolling through the Botanic Gardens, or go for something completely different.

Choose to scuba dive with platypus, go forest flying or wakeboarding or spot migrating whales while dining alfresco at the impressive marina village.

Admire Queensland's best collection of art deco architecture (20 lovingly restored heritage listed buildings) in the CBD, or refresh at one of the watering holes alongside the sparkling blue of the Pioneer River.

Scuba with Platypus?

Talk about the undiscovered secrets in the Australian events scene, who's ever been scuba diving with platypus?

Offer your next MICE event the chance of a lifetime. Diving in crystal clear freshwater with turtles, fish, gordian worms, eels and if you're one of the lucky ones > a platypus.

Based in the Finch Hatton Gorge, Rainforest Scuba is the only dive shop in the world that can offer you this unique experience to dive in the rainforest in crystal clear waters with the chance of being in the water at the same time as a platypus.

The staff at Rainforest Scuba would be happy to customize tours to suit your event including, tourist walks to the fabulous Finch Hatton Gorge watering holes, or arrange forest flying and lunch!

The other great selling point is that scuba diving in Mackay and surrounds is available at anytime as you dictate the shop and dive times and not the other way around! Perfect for the busy events coordinator!
