# MECC

## does us proud

CONGRATULATIONS to the MECC and manager Mark Fawcett on their record attendance this year.

We can quickly forget how many great acts we've had at our entertainment centre. It was a refreshing exercise to see our Facebook friends nominating their faves.

We've had quality acts like Kate Miller-Heidke, Missy Higgins, the Wiggles, Boy n Bear, Boney M and The Sweet come to our town care of the crew at the MECC. And let's not forget all the great Festival of Arts shows.

While we're never going to get the "really big" Rolling Stones-type of acts that won't look beyond a metropolitan stadium, our humble venue punches well above its weight to provide Mackay with a smorgasbord of entertainment.

All of this with easy parking, reasonable prices and a central location.

Stay tuned. As usual Mark and his mob are working on some good ones to come, too.
