WOLFGANG'S MAGICAL MUSICAL CIRCUS BY CIRCA

Photo Credit: Damien Bredburg

Created by Yaron Lifschitz with Benjamin Knapton and the Circa Ensemble.

Straight from the score and onto the stage, the man known as Mozart appears amid a storm of powder, tumbling and twirling, as musical mayhem and movement fuse in this family show with a circus twist.

To those who know him, he is Wolfgang, the dart-playing, pun-lovin ratbag. To those who are watching and listening, he is the wiggled genius Mozart. Come and discover his irrepressible spirit and vibrant compositions through physical comedy and mischievous antics.

Designed to amaze people from the age of three upwards, Wolfgang's Magical Musical Circus reinvents the composer's magical music in a skilful and illuminating show featuring Circa's dexterous daredevil artists and a live accordionist. Watch as the notes are physically lifted off the page and performers bring the renowned compositions to life amidst a storm of powder, tumbles and crashes, all under the eccentric swirl of the conductor's baton.
